

5.8G FPV RX Antenna Specification

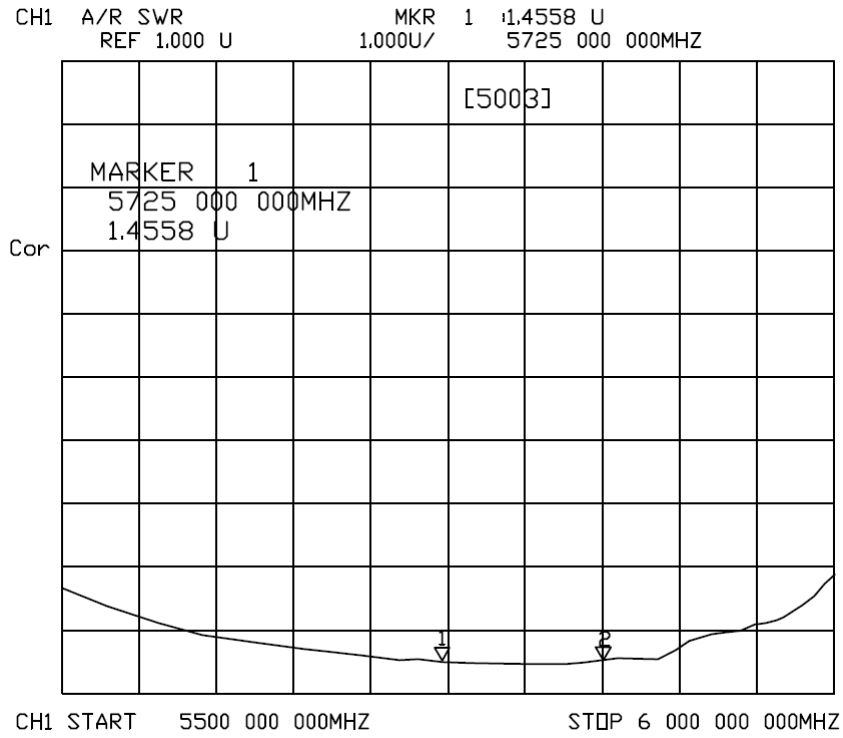

Model: DLFPV-M3-T

Main Technical Specifications

Frequency Range	5725-5850Mhz
Gain	2dBi
VSWR	≤2.0
Input Impedance	50ohm
Polarization Type	Vertical
Radiation	OMNI
Max Input power	20w
Antenna Height	78mm
Antenna Diameter	35mm
Connector Type	SMA male
Radome Color	White
Lighting protection	DC Grounding
Working Temperature	-45°C to +85°C
Storage Temperature	-45°C to +85°C
